Fresh as possible

We provide quality,delicious seafood products using Sawairi's direct purchasing system to ensure that all of our seafood products are 100% traceable to the source.
We can send our Made-in-Japan products to anywhere in the world. To minimize the distribution, our seafoods do not go to fish markets. The frozen seafoods are kept at -60 °C, so that no unnecessary temperature change occurs.

Message from CEO, Hidemi Sawairi

Since 1986, we have been delivering quality tuna to our customers. It is our hope that our fish products can help enrich home-cooked meals to people of all ages and all countries.
We also ship our delicious seafood to restaurants the world over.

Our traditional Japanese sashimi is of the best quality, as is our cooked tuna patties and other seafood products.
With changing lifestyles and healthier eating habits we will continue to develop and provide trusted and tasty seafood products for all to enjoy!

We are happy to be part of your healthy life.
